

ROADMAP TO THE OUTDOORS SYMPOSIUM

Connecting Oregonians to the Great Outdoors

FEBRUARY 15, 2018 - PORTLAND, OREGON

Oregonians share a special connection to the outdoors. Governor Kate Brown and First Gentleman Dan Little want to share their love for the outdoors with others and increase connections to the outdoors by more Oregonians.

Let's determine barriers to the outdoors, and develop solutions to expand access to more Oregonians. Let's chart a roadmap to the outdoors and create outdoor enthusiasts. Outdoor recreation businesses, tour operators, organizations and individual outdoor adventurers interested and involved in connecting Oregonians to the outdoors are encouraged to attend this symposium.

By supporting and attending this effort, we hope to improve the quality of life for all Oregonians by fostering an appreciation of Oregon's natural wonders by increasing access to the outdoors.
